Based on NCERT

Imagine that you are a writer for a travel magazine. Write an article about a recent trip you went on and the places you visited.

You could include the following points:

.The sights you saw

The buildings/monuments/places of interest

The best time to visit the place

The easiest ways to get there (road, rail, air)

The best places to eat at

Things to be aware of

Your experience with the local culture

Interesting markets or places to shop from

The people you came across, and your memories
