Subject English.

By R.N. Singh

You dreamt of a person one day. You liked him very much. You shared many feelings with him. He became very intimate with you. He seemed to you the person you were searching for. But when your eyes opened, he had gone. You realised that it was a dream. Strangely enough, you became so emotional in the dream itself that you are missing that dream fellow very much.

Write a story in a minimum of 80 words, from beginning to end.
