Q. Newspapers play very positive role in the making of society. Put your views in favour of the topic during a debate organised in your school.

Ans. Good morning all and sundry!
Newspapers play a very significant role in the making of the society. They make us aware about the latest happenings and events of all corners of life. Newspapers cater to the taste of all sorts of readers. It publishes regional, national as well as international news.

Newspapers publish interesting and informative articles written by reputed scholars. It provides entertaining and political news also. Its importance can never be denied. The editorial of every newspaper contains critical views and helps us making our own. Newspapers can mould public opinion. It is a common

man's source of information. Everyone can't access to T.V or multimedia. But newspaper can be available everywhere. We get career news, educational news, government notifications, traffic advisory, etc. that help us a lot.

Write and learn.
