Sub: Request to organise an educational trip

Sir

I, the monitor of class 9, on behalf of my class, request you to organise an educational trip to a monument in Delhi. As we are studying the chapter on historical monuments in Social Studies, all students are curious to visit any one of them, it would help us to understand all the things in a better way than only reading them in books.

We hope that you will give your kind attention to our request.

Thanking you

Yours obediently

Asha Singh
