THINK AND ANSWER:

Ans: Madhya Pradesh and Chhatisgarh there is zero chances of building a port because :

- . Both states do not have a huge sea or connection to ocean.**
- . Both states are land locked.**

- . Both states do not much involved with water transportation.**

And in Telangana.... Since it is a newly Formed state not many new projects been set their and even the requirement of port is not there because major transport through water ways takes place through Andhra Pradesh Ports.
