**CHAPTER 2. REVISION( (BASED ON NCERT PATTERN)**

**Question 1.** Which members are allowed to contest the election in China?

**Answer:** Only the members of the Chinese Communist Party or eight smaller parties allied to it were allowed to contest elections held in 2002-03. The Communist Party always forms the government.

**Question 2.** After how many years does Mexico hold elections for electing the President?

**Answer:** Since its independence in 1930, Mexico holds elections after every' six years for electing the President.

**Question 3.** What was PRI?

**Answer:** It was a political party of Mexico called Institutional Revolutionary Party. The PRI won every election until 2000

**Question 4.** Why was every election won by PRI in Mexico?

**Answer:** PRI managed to win every election mainly through unfair means. They spent a lot of money in campaigning for its candidates and forced people to vote for them.

**Question 5.** How can we say that people in Mexico did not have any choice in the elections?

**Answer:** There was no choice for people in Mexico. There was no way PRI could be defeated, even if the . people were against it. The elections were not fair.

**Question 6.** Name the country where the minorities find it difficult to get the right to vote.

**Answer:** In Estonia, the Russian minority find it difficult to get the right to vote
