OUR CLOTHES

Silk.

We also wear silk clothes.

We get silk from silk worms. A it self with long, sticky threads. This

home is called a cocoon.

These cocoons are used to make silk threads. These threads are used to make silk clothes.

We get cotton, wool and silk from plants and animals. They are called natural fibre. Clothes are also made from fibres like nylon, rayon or polyester also clothes made from such fibres are called synthetic clothes. These synthetic fibres are artificial.
