OUR CLOTHES

We wear clothes to protect our body. Clothes protect us from heat, rain, cold and dust.

Clothes make our look smart and attractive. Types of clothes that we wear depend upon seasons, places and nature of jobs we do. In summers, we wear cotton clothes. Cotton clothes keep our body cool and provide us comfort.

***We get clothes from
cotton plants.***

***Cotton clothes are made by spinning and
waving cotton.***

Cotton is woven on a hand loom or power loom.
