3.In what ways is a permanent and regular job different from a casual job? Discuss.

Ans: In a permanent and regular job an employee gets a regular salary every month. Besides, a regular salary he gets other benefits such as savings for old age, holidays, medical facilities for his family, etc. Thus, his job is secured. But casual workers avail no job security. If workers complain about their pay or working conditions, they are asked to leave. They are also expected to work very long hours. They don't get other benefits like permanent employees.
