Class Xth. Subject Political science. Date 5.1.2021.

Challenges to Democracy Summary

Chapter 8 of the NCERT Social Science Civics textbook – Democratic Politics-II will address the fundamental questions of democratic politics. The discussion on the challenges that democracy faces in our country will take place in the chapter, and also the reforms that should be taken will be given. The reforms needed to make a democratic country, democratic in nature, and practise will be suggested.

Suggestions about the way in which we can approach the questions of challenges and reforms will be given to students. Through this chapter, a student will learn to answer himself/herself what democracy means for him/her.

The students will also get to know about the following topics:

1. **Thinking about challenges**
2. **Different contexts, different challenges**
3. **Different types of challenges**
4. **Thinking about political reforms**
5. **Redefining democracy**
