Chapter1-- The fun they had

by Issac Asimov

iii. Answer each of these questions in a short paragraph (about 30 words).

1. What kind of teachers did Margie and Tommy have?

Ans- Margie and Tommy had the mechanical teacher with a big screen on which all the lessons were shown and the questions were asked. There were the slot where they had to put their HW and test papers writing in a punch code and the mechanical teacher calculated the marks in no time.

2. Why did Margie's mother send for the County Inspector?

Ans- Margie's mechanical teacher had been giving her test after test in geography and she had been doing worse and worse. Having seen this Margie's mother felt very bad, so she sent for the County Inspector.

3. What did he do?

Ans- He gave her an apple to eat smiling at her and took the mechanical teacher apart and brought it back after fixing it up in an hour or so.

4. Why was Margie doing badly in geography? What did the County Inspector do to help her?

Ans- Margie was doing badly in geography because the geography sector was geared a little too quick and it was not her fault such disturbance may occur sometimes over mechanical things.

The mechanical teacher slowed it up to an average 10-year level and said that the overall pattern of her progress was quite satisfactory.
